Number of Candidates: 1

William Slowikowski

Years of Service at UMBC: 30+ years

What strengths do you think you would bring to the AFAC?

As a current member of the Adjunct Faculty Advisory Committee (AFAC) I am working on attaining Faculty III positions in conjunction with the Provost. The AFAC is currently trying to establish a full Faculty Senate Membership. We have attained membership on the Senate Faculty executive committee. Our goals and mine are to provide a better experience at UMBC for the Adjuncts. For the last several years we have been granting up to \$500 for adjunct faculty presenting at a conference. I consider it a privilege to serve on this committee to represent the Adjunct Faculty. I will provide sincerity and integrity in the position and appreciate your confidence in me.

What issues do you think the AFAC should be addressing during the 2019-2020 academic year?

Pay stipends for adjunct faculty, parking fees, Faculty Senate representation, one year contracts, choice of courses, University grants.
