

UMBC
Department of Biological Sciences
Ph.D. Dissertation Seminar

Shradha Darira

Ph.D. Candidate

Molecular and Cell Biology Program

“Delineating mechanisms of GPCR signaling: Studies on the Kinin receptors and GPR162.”

Wednesday, November 6, 2024

Biological Sciences Building 004

2:30-3:30 p.m.

Mentor: Laurie Sutton, Ph.D.

UMBC
