

UMBC
Department of Biological Sciences
Ph.D. Dissertation Seminar

Jessica Novak

Ph.D. Candidate
Biological Sciences Program

“Transcriptomic and functional
characterization of
polysaccharide deconstruction
mechanisms in the Gram-
negative bacterium *Cellvibrio
japonicus*”

Thursday, August 14, 2025

Location: BS 120

11:30-12:30 a.m.

Mentor: Jeffrey Gardner, Ph.D.

UMBC
