

UMBC
Department of Biological Sciences
Ph.D. Dissertation Seminar

Zachary Smith

Ph.D. Candidate
Biological Sciences Program

“Molecular Changes to
Pathway Disruption:
Investigating Degeneration-
Associated Proteins During
Development Using
Drosophila Melanogaster”

Thursday, March 19, 2026

Location: Lecture Hall 1

1:00-2:00 p.m.

Mentor: Fernando Vonhoff, Ph.D.
