

CLIMB UP

(Undergraduate Program)
for Summer Research

May 28 - August 3, 2019

An awesome opportunity for undergraduates to excel in STEM and health science research and explore career options!

As a CLIMB UP Fellow, you will:

- ✓ Work on your own project with a UB faculty member
- ✓ Learn and apply laboratory skills
- ✓ Gain exposure to a wide variety of STEM disciplines
- ✓ Discover graduate and professional school possibilities
- ✓ Present your research in a formal symposium setting
- ✓ Enjoy all that Summer in Western New York offers
- ✓ Build lasting relationships with mentors and fellow students

Opportunities in Pharmacology and Toxicology * Neuroscience * Drug Discovery * Clinical and Translational Research * Microbiology and Immunology * Dental Medicine * Pharmaceutical Sciences * Chemistry * Biology * Physics * Structural Biology * Psychology * Public Health * Engineering * Nursing * Bioinformatics * Data Science*... *and more!*
