

PRESS RELEASE

“We are delighted to have SC&H join our team of advisors. SC&H has great skills in adding value to technology companies and we look forward to working with them.”

FOR IMMEDIATE RELEASE

SC&H Group - Sponsor of bwtech@UMBC Incubator Programs

Baltimore, MD – November 16, 2012 – SC&H Group, a leading regional CPA and management consulting firm, announced that they have agreed to sponsor the business incubation programs at the bwtech@UMBC Research and Technology Park. The business incubator programs are focused on delivering space, business advisory services, and access to resources like technical support to early stage companies in the areas of Cyber Security, Life Sciences and Technology and Clean Energy.

SC&H Group will support the business incubator programs by holding office hours at bwtech@UMBC to assist companies located on site with tax accounting and reporting best practices, business planning and profitability, and strategic growth needs.

Ellen Hemmerly, President and Executive Director of the bwtech@UMBC Research and Technology Park, says, “We are delighted to have SC&H join our team of advisors. SC&H has great skills in adding value to technology companies and we look forward to working with them.”

Ron Causey, Managing Partner of SC&H Group, says, “SC&H Group is proud to have this opportunity to support the business incubator programs at bwtech@UMBC Research and Technology Park. UMBC is committed to research and innovation in Maryland, which aligns perfectly with SC&H Group’s long time commitment to supporting innovative businesses in Maryland. We are excited about this partnership with bwtech@UMBC and together supporting business in the State of Maryland.”

ABOUT BWTECH@UMBC

bwtech@UMBC, www.bwtechumbc.com is a 71-acre research and technology community at the University of Maryland, Baltimore County (UMBC). It comprises the Life Science and Technology, Clean Energy, and Cyber Incubators, home to over 100 early-stage high-tech and life science companies, and the Research and Technology Park, with a capacity of 525,000 square feet of office and laboratory space. bwtech@UMBC offers collaboration with university faculty and students, and enjoys a strategic and convenient location, close to downtown Baltimore, BWI Thurgood Marshall Airport and Washington, D.C. bwtech@UMBC’s annual economic impact on the state is estimated to be over \$300 million.
