Baltimore SmartCEO Announces the 2013 VOLTAGE Award Finalists

29 companies in Baltimore to be recognized in SmartCEO's VOLTAGE Awards

Baltimore, MD (March 7, 2013) — Baltimore SmartCEO, in conjunction with Title Sponsor Comcast Business Class, is pleased to announce the 2013 VOLTAGE award finalists. The VOLTAGE Awards program celebrates the role that technology plays in the business community and the future impact the technology sector will have on economic growth. The 2013 VOLTAGE award finalists collectively generate more than \$49.6 billion in annual revenue and employ over 177,000 individuals in Greater Baltimore. This year's finalists will be profiled in the May issue of *SmartCEO* magazine and celebrated at an awards ceremony on **May 9, 2013 at the Westin, BWI.**

Please see below for a complete list of finalists and for program details. To share in the excitement leading up to the event, follow us @SmartCEO #VOLTAGEAwards.

“It’s no secret that the evolution of technology is what drives business forward. These companies are pushing the limits of innovation – streamlining processes, finding efficiencies and discovering the next great product,” says Craig Burris, founder and president of SmartCEO. “Sharing their stories is a humbling experience as these companies are the catalysts for our region’s growth and prosperity.”

The VOLTAGE Awards recognize the accomplishments of Greater Baltimore’s pioneering Technology Innovators and Technology Implementers. The finalists are recognized for their creative vision, leadership philosophies, innovative strategizing and undeniable work ethic.

About SmartCEO

SmartCEO is an exclusive community of CEOs and business executives, highly regarded mentors and well-respected thought leaders whose experiences benefit their own organizations and the communities in which they serve. SmartCEO’s mission is to educate and inspire the business community through the pages of its award-winning magazine, connections at C-level events and access to valuable online resources.

For more than a decade, SmartCEO has been a leader in helping CEOs tell their stories in-print, in-person and most recently in-video. SmartCEO’s Mid-Atlantic focus began in Baltimore and

has grown to include Philadelphia, Washington DC, and has recently expanded to New York City.

About the Voltage Awards

The VOLTAGE Awards program celebrates the role that technology plays in the business community and the future impact the technology sector will have on economic growth. An independent panel of business leaders selects the 29 finalists based on the applications submitted. The VOLTAGE finalists are profiled in the May issue of *SmartCEO* magazine and celebrated at an awards event in May.
