

PHYSICAL DISTANCE, CIVIC PROXIMITY.

The **Center for Democracy and Civic Life** supports people in developing the knowledge, skills, and dispositions to create just and inclusive communities. Our staff is operating remotely to build and support connections within the UMBC community during the COVID-19 pandemic. We offer workshops, conversation series, immersive programs, and courses, and we provide coaching and consultation for students, faculty, staff, and alumni. We are here with you, and we welcome your stories and ideas.

★ **STRiVE** is an intensive and engaging leadership for social impact retreat that helps inspire and support students in becoming more effective leaders and contributors to their communities. To learn more, visit tinyurl.com/striveumbc.

★ **Alternative Spring Break (ASB)** is an immersive learning experience focused on a variety of social issues in Baltimore. To learn more, visit tinyurl.com/asbumbc.

★ The **Civic Courage Journaling Project** creates opportunities for individual and collective reflection on personal experiences to foster civic courage. To learn more, visit tinyurl.com/civiccouragejournalingumbc.
