AMERICAN UNIVERSITY OF BAHRAIN

The AUBH **Experience Program**

About Us

AUBH is the first U.S. accredited, comprehensive, American-model coeducational University in the Kingdom of Bahrain and is supported through the Elm Fund.

The University offers a holistic journey for students and a unique approach to education that fosters interaction and collaboration between students, faculty, and the professional community.

The contemporary, 75,000-square-meter campus is in Riffa, Bahrain. The innovative and high-tech campus enhances the teaching and learning experience for both faculty and students.

Along with advanced classrooms, labs, the library, the campus includes a Sports Center with indoor and outdoor courts and fields, a vast Student Commons area, and an Auditorium for special events.

AUBH curricula are built by qualified professors and educators to equip students with the knowledge and soft skills to succeed in a rapidly ever-changing global environment.

The AUBH quality of American model education mirrors that of the best American universities around the world. The University's unique academic structure enables students to find their real passions and allows them to develop their abilities to be competent learners, leading to long successful careers in their chosen industry.

Accreditation

The American University of Bahrain is the first and only U.S.-accredited, comprehensive, purpose-built, American-model University in the Kingdom of Bahrain.

The University offers an American-model education which fosters interaction and collaboration between students, faculty, and the professional community, resulting in a unique educational journey for students, going beyond what's learned in the classroom.

The AUBH **Experience Program**

As a teaching-focused University, we are committed to continuously innovating and expanding our practices to enhance the student learning experience. To achieve this objective, we at AUBH recognize the immense value that fresh post-graduates can bring to our teaching, material development, and research efforts. With their cutting-edge expertise, analytical prowess, and passion for pushing the field forward, they represent a crucial talent pool that we are eager to harness.

We understand that the transition from study to work in academia can be challenging. Hence, our proposal for a partnership with your university's career center to create a mutually beneficial program that facilitates integration of your recent Postgraduate alumni within the education industry.

Value Added **Through Collaboration**

Enhanced Placement Rates

Our targeted recruitment efforts will help your post-graduates secure meaningful, challenging, and rewarding career opportunities.

Increased Visibility

Collaborating with AUBH, one of the few US-accredited universities in the Middle East, can raise awareness and create a pipeline of potential students for your institution.

Strengthened Alumni Network

Successful placements of your post-graduates within our organization can foster lasting connections and networking opportunities.
