

Brown Advisory Summer Analyst Program

Company Overview

Brown Advisory is an independent investment management and strategic advisory firm with over \$50 billion in client assets, based in Baltimore, MD and Washington, D.C. We have additional offices in Boston, MA, Chapel Hill, NC, London, UK, New York, NY, and Wilmington, DE. The firm's institutional and private clients are located in 50 states and 25 countries and are serviced by over 400 employees worldwide, all of whom are equity owners of the firm. Our ownership structure ensures that our interests remain aligned with those of our clients and that employee turnover is minimal.

Summer Analyst Program

Program Description

Brown Advisory is seeking motivated, team-oriented students to participate in a ten week summer analyst program. Analyst positions are available in all of our offices as we look to cultivate students who could succeed at Brown Advisory in a full time role after graduation. Designed to be an entrepreneurial, project-based program, analysts have the opportunity to gain exposure to all sides of our business, including:

- Equity and Fixed Income Research
- Private Client Portfolio Management
- Asset Allocation and Manager Due Diligence
- Alternative Investments
- Institutional Marketing and Sales

Below is a list of our offices and their associated areas of expertise:

<i>Baltimore, MD</i>	Equity and Fixed Income Research, Private Client Portfolio Management, Asset Allocation & Manager Due Diligence, Alternative Investments, Institutional Marketing/Sales
<i>Washington, DC</i>	Equity Research, Private Client Portfolio Management
<i>Boston, MA</i>	Equity Research, Private Client Portfolio Management
<i>New York, NY</i>	Alternative Investments, Asset Allocation & Manager Due Diligence
<i>Wilmington, DE</i>	Private Client Portfolio Management
<i>Chapel Hill, NC</i>	Private Client Portfolio Management
<i>London</i>	Institutional Marketing/Sales, Asset Allocation & Manager Due Diligence, Private Client Portfolio Management

Internship Requirements

- Analysts must have strong writing and analytical skills as well as exceptional attention to detail.
- Students must have completed at least their junior year of college.
- Business-related majors and experience are preferred.
