

Toy/Game Drive for UMBC CKI Spring LSSP

This Spring, UMBC CKI working with the Jared Box Project to create boxes filled with fun toys and activities for children hospitalized/receiving long treatment for terminal illness.

We are collecting new/gently used toys and games to help fill our boxes. These boxes will go to children between the ages 2 and 13. Suggested items include:

- Travel-sized board games
- Kids crafts
- Art supplies
- Puzzles
- Electronic games
- Silly putty
- Dress-up costume jewelry
- Toddler-safe toys
- Play-Doh
- Coloring Books
- Small stuffed animals
- Card games
- Word searches

We will be collecting items through
April 12th
