

Association for Economic Research of Indigenous Peoples

The mission of the Association for Economic Research of Indigenous Peoples is to facilitate intellectual exchange, foster networking and information sharing, encourage and promote teaching and research on topics related to the social and economic development of Indigenous peoples.

- We also seek to educate students, prospective scholars and the public about the field.
- We hold an annual meeting, sponsor research events and conference sessions, publicize related research and opportunities.
- We encourage undergraduate and graduate students and interested faculty members to join.
