

# Be a Part of Something Special with a Career in Y Head Start!

The Y's Head Start program provides children living in poverty a high quality early childhood education experience. Our goal is to ensure that our Head Start children are ready for school and ready to learn. We take pride in providing more than 1,700 children a safe place to learn while they play, make new friends, and get the nurturing care they need to grow and thrive as they prepare for kindergarten and beyond.
