ABOUT EMERGENCE

Emergence is an immersive accelerator where founders spend 3 months working heads-down on their businesses alongside other founders & mentors. During COVID, most accelerators have been forced online, ruining the synergies and connections that come with putting talented people in one place. At Emergence, your household becomes all that you need to make massive progress on your business.

PROGRAM DETAILS

- Mentors, curriculum, and milestones all customized for each founder and their business
- Tailored business-building educational sessions taught by in-house experts
- Wellness curriculum including free in-house fitness training, yoga, and mindfulness practice
- Rent: $1250 mo + $500 mo community fee

PERKS

- Furnished, private bedroom and bath
- 4000 sqft of living & office space
- Weekly personal training & yoga sessions
- Snacks, drinks, 1 prepared meal a day
- On-site gym, private patio, gated parking
