"The First and Only Lesson in Entrepreneurship"

Admiral Sir George Zambellas was First Sea Lord of Great Britain from 2013 to 2016. He was responsible for delivering the UK's fighting Navy as well as two new Queen Elizabeth Class supercarriers, nuclear attack submarines, and new frigates. An engineer at heart, pilot by passion, and First Sea Lord by profession, his journey has been fascinating. Now immersed in tech companies in the US and UK, Sir George will reflect on the lessons of his journey, and present his views on leadership, success and failure in entrepreneurship. He will leave plenty of time for difficult questions!
