

# UMBC Presents...

The first alcohol program you've ever attended that doesn't tell you **NOT** to drink!

A portrait of Rick Barnes, a man with dark hair and a mustache, wearing a black shirt. The name "RICK BARNES" is overlaid on the image in large, bold, red letters. The word "RICK" is in a smaller font size than "BARNES". There are decorative white flourishes above and below the name.

## DRINKTHINK

:: ALCOHOL ON CAMPUS doesn't have to be A DEADLY GAME ::

This isn't your ordinary alcohol program. It's a surprisingly funny, entertaining hour that takes a realistic, practical look at how alcohol exists on campus today. If you're tired of scare tactics, join us for an intelligent discussion which treats you like an adult. Learn how we can take better care of our friends, have fun, and make our college community a little safer.
