# SEA

UMBC SUMMER ENRICHMENT ACADEMY

The **UMBC Summer Enrichment Academy (SEA)** brings the college experience to elementary, middle, and high school students through fun, unique, and challenging **full and half day** academic camps in STEM and the arts and humanities. Our week-long programs explore topics such as:

- Cybersecurity
- Game Design
- Moot Court
- Japanese Anime
- Chess
- How Girls Code
- Mechanical Engineering

- App Development
- YouTube Production
- African Drumming
- Web Development
- Environmental Energy
- Vocal Performance
- **AND MORE!**
