

ERICKSON SCHOOL OF AGING STUDIES

Holiday Donation Project with Meals on Wheels

Starting Now

–

December 18

WHAT:

Meals on Wheels provides support and safety-net services that help sustain health, promote independence, maintain economic stability, and improve overall quality of life for seniors. Join us for an opportunity to support, "Homebound Health Kit," a **UMBC campus-wide** holiday donation project with Meals on Wheels of Central Maryland.

WHO:

Management of Aging Studies Council of Majors and the entire UMBC community

WHEN:

Now until December 18

DONATION BOX LOCATIONS:

The Erickson School of Aging Studies
5523 Research Park Drive, Suite 230

The Commons
Across from the Info Desk

HOW:

Drop off personal care items (unopened/unused) to either donation box location before 12/18, or bring donations to UMBC's Holiday Open House. (Acceptable donations: Band-Aids, shampoo, toothpaste, brushes, combs, bottled water, flashlights, and other useful items.)
