Dear Ms. Homa:

It is my pleasure to inform you that the University System of Maryland (USM) Board of Regents (BOR) has selected you as a recipient of the 2015-2016 USM Board of Regents' Staff Award in the category of Effectiveness and Efficiency.

Each year, one exempt employee and one non-exempt employee are honored in each of the following categories: Service to their Institution, Service to Students, Public Service, and Effectiveness and Efficiency. This award is the highest honor bestowed by the Board of Regents to recognize exemplary staff achievement. On behalf of the Board of Regents, thank you for your contributions and congratulations on this important accomplishment.

Award recipients will be recognized at a special breakfast ceremony prior to the start of the next board meeting scheduled for Friday, September 9, 2016 at Towson University. The Chancellor's office will contact you once all the details have been finalized. Awardees will be presented with a plaque at the ceremony, and the monetary portion of your award (\$1,000) will be handled through the payroll department at your institution.

Your work and commitment brings honor to all of us who are part of the University System of Maryland; we are proud and appreciative of your exemplary service.

Sincerely yours,

A handwritten signature in black ink that reads "James L. Shea".
