

ARE YOU AUTISTIC? DO YOU WANT YOUR CONVERSATIONS TO GO BETTER?

**JOIN A RESEARCH STUDY AT THE
UNIVERSITY OF MARYLAND TO HELP
BUILD BETTER SPEECH THERAPY TOOLS**

IF YOU:

- Are autistic
- Are 18+ years old
- Live in the U.S.
- Want your conversations to go better
- Pronounce words in ways most people understand

AND YOU OFTEN:

- Speak in English
- Speak with your mouth

TAKE OUR SURVEY

Answer questions online about:

- What kinds of conversations you want to make go better
- Basic information about you

After you take the survey, you may be invited to more parts of the study:

- send in a recording of a conversation with someone you choose
- do an interview
- share a speech therapy progress report

Want to join? Answer the screening questions. We'll reach out!
go.umd.edu/aut-talk-screener

We want to make joining accessible.
We have an Easy Read version of forms.
We can go over the forms with you on a call.

The survey will take 15-20 minutes

You will get a \$10 gift card for an online store you choose

You will get more gift cards if you do more parts of the study
