

PHI KAPPA PHI

University of Maryland, Baltimore Campuses (UM-UMBC)

1000 Hilltop Circle, Baltimore, MD 21250

The Baltimore Campuses Chapter 22 UM-UMBC

Hello everyone,

As your new president, I would like to invite you to our very first chapter membership meeting on Friday October 21, 2011. You will have an opportunity to meet your Phi Kappa Phi Executive Committee as well as participate in the further development of our chapter. We will have important agenda items to vote on, including approval of revised chapter bylaws and our chapter budget for fiscal year 2012.

Our meeting will be held in the Southern Management Campus Center

<http://www.umd.edu/smccampuscenter/about/directions.html> on the UM campus from 5:15-6:15 pm in room 351. Supper will be on your own, followed by a free evening with the Baltimore Improv Group from 7:00-9:00 pm in the second floor ballroom. We will provide to you a list of nearby eateries on the day of the event.

At the present time, the Campus Center is holding thirty (30) free tickets to the Baltimore Improv show for us. Additional tickets are to be made available on a space available basis beginning October 8th, once the Campus Center has a better estimate of projected UM campus interest in this event. If you are interested in attending, I encourage you to register early, as tickets are expected to go quickly!

To register for Improv tickets, please email me at epatton@som.umd.edu. These will be awarded on a first come, first serve basis to current chapter members. At this time, you may ask for a total of two tickets, one for yourself and one for a significant other. Depending on how many additional tickets are released in October, we may be able to provide additional tickets for those interested.

If you are unable to make it to campus in time for the chapter meeting, consider joining us just for the Improv event ☺

Both the Executive Committee and I are looking forward to meeting & working further with each of you to build a strong, active and lasting Phi Kappa Phi Chapter in the Baltimore area.

With best wishes,

Eileen M. Patton, MS. MT(ASCP) RM(AAM)

President
