**The National Math
Festival – Where
Families Can Count
on Fun!**

Join us and explore dozens of free events designed for all ages – and come prepared to get your hands on math, with games, puzzles, demos, mathletic competitions, make-your-own wearable artwork, and much more! AND we have dedicated PreK activities for the littlest math lovers too.

**THE POSSIBILITIES ARE
INFINITE.**

Organized by the Mathematical Sciences Research Institute (MSRI), in cooperation with the Institute for Advanced Study (IAS) and the National Museum of Mathematics (MoMath). The National Math Festival thanks the Simons Foundation, Alfred P. Sloan Foundation, Eric and Wendy Schmidt, and the National Science Foundation for founding support of the Festival.
