

The Goucher Prison Education Partnership (GPEP) invites you to an information session to learn about opportunities to support men and women incarcerated in Maryland pursuing an outstanding Goucher College education.

GPEP offers Goucher College courses and college preparatory courses on-site at the prisons as well as all necessary resources for student success, including books, calculators, academic materials, and access to skilled tutors and in-person office hours with professors and academic advisors. Through this work, GPEP is also part of the public conversation about access to education, poverty, and mass incarceration.

VOLUNTEER ROLES INCLUDE

Tutors for math (algebra and statistics), advanced Spanish, and critical reading and writing; research assistants; and administrative assistants.

TEACHING ROLES INCLUDE

College preparatory math and writing and college courses across disciplines.

Interested in volunteering or teaching with GPEP in winter or spring 2026?

Be sure to RSVP for one of the following free information sessions:

**Sunday
October 5
2 - 5 p.m.**

**Sunday
October 26
2 - 5 p.m.**

Attending an information session is mandatory for prospective volunteers, but current and past volunteers/faculty need not attend. **Contact hannah.goodman@goucher.edu with any questions.**
