

UMBSEA DIVING CLUB

Welcome to UMBSea Diving Club!

This club was established to provide opportunities for non-certified students and certified students to go diving and learn more about scuba!

This semester we are planning a lot of fun events, such as a seminar about sharks, documentary/movie nights and more!

During "normal" semesters, we have dive trips to Cozumel Mexico over spring break and Canada over summer break. In addition, we have volunteer opportunities, such as creek clean-ups.
