

You are cordially invited to attend:
**Goldman, Sachs & Co.
Global Investment
Research Summer
Opportunities
Information Session**

Different voices, smarter solutions.

At Goldman Sachs, diversity isn't an initiative. It's part of our culture. Having an inclusive environment gives us access to the best talent, without restriction. Talent that helps us find innovative solutions for clients across the globe. That's not just a good story. It's good business. So if you're looking for an environment where you feel welcomed — and valued — look no further. Learn more at goldmansachs.com/careers.

Please join us for the following event on Wednesday, November 30, 2011:

Global Investment Research Summer Opportunities Information Session

Date: Wednesday, November 30, 2011

Time: 2:00pm – 3:30pm

Location: University of Baltimore Student Center, 5th Floor, Bogomolny Room

[Event Directions](#)

This informative presentation will provide you with an overview of Goldman Sachs, the Global Investment Research Division and our career opportunities for summer analysts.

Global Investment Research produces original, fundamental research and analysis of industries, companies and economies. Our research teams continually identify and analyze financial information, strategic issues and trends that affect companies, industries and markets on a regional and global scale.
