

Mobile Photonics Lab Experience

Coming to University of Maryland - Baltimore

Meet Thorlabs experts for
an introduction to the
world of photonics.

Who Are We?

The Thorlabs Mobile Photonics Lab offers students a **hands-on experience** with photonics equipment used to measure, study, and harness the power of light. Guided by current Thorlabs employees, students will be able to learn key photonics concepts, gain insight into potential careers, and engage with individuals that have years of experience working in the field.

Departments that Offer Opportunities in Photonics and Optics:

- ✓ Physics
- ✓ Chemistry
- ✓ Electrical Engineering
- ✓ Computer Engineering
- ✓ Mechanical Engineering
- ✓ Biology

Additionally, UMBC has Student Chapters for SPIE and Optica.

For any information about the programs, please contact
Dr. Geoffrey Diederich (gdieder2@umbc.edu).

Schedule

Thursday 11/21 - Intro to Photonics Experience, 9 AM - 4 PM

Friday 11/22 - Quantum Optics Experience, registration required

Come Join Us
**November
21st and 22nd**

9 AM - 4 PM
Located by **Erickson Field**
