

# *INSIDER TIPS: MEAL PLANS EDITION*

## Tips on Meal Plans

- All locations, except True Grits, show what is included within their meal deal (some combination of food and drink). All meal deals are equivalent to \$6.40.
  - If you purchase other items outside those included in the meal deal or greater than \$6.40, the money will be taken out of flex. Flex is a fixed amount of money, which decreases as you use it over the course of the semester.
  - All flex must be used before the end of each semester or you will lose it.
  - If you run out of flex before the end of the semester, you can deposit money onto your card as Retriever dollars or Food Fund. These both carry over between semesters.
  - Leftover meal swipes can be used at Outtakes. Use em or lose em! Meals reset before breakfast on Monday.
- 
- The Terrific Twelve and Savvy 16 meal plans only allow one meal swipe per meal period.
  - The Flexible 14 and 10 plans let you use multiple meal swipes within a meal period.
  - The Ultimate and Super Block 225 plans allow you to use multiple meal swipes within a meal period, but only at True Grit, not at any other venue.

## Events

A calendar of events is going to be shared with you via Google Calendar. It will be titled "STEM LLC." Check it out to see events happening all across campus!

## \*Reminders\*

- You can only increase or decrease your plan during the first two weeks of the semester.
- Remember to pay the full balance on your student account by October 30<sup>th</sup>, in order to register for spring semester classes.
- Any holds on your account will not prevent you from registering by this date.
