STUDY ABROAD**

International Health Policy in Switzerland

Professor Katie Birger

**DIVE INTO THE INTRICACIES OF HEALTH
POLICY DEVELOPMENT AND
IMPLEMENTATION ON A GLOBAL SCALE
WHILE ENGAGING WITH EXPERTS AND
POLICYMAKERS IN GENEVA!**

COURSE DESCRIPTION

PBHL 385 (GEP: C): This course examines the frameworks that describe healthcare systems in other countries, compares those systems to the US system, and looks in depth at several countries' healthcare policies and delivery systems. This class includes several opportunities for guest speakers and field visits to gain first hand knowledge of the healthcare system.

PROGRAM HIGHLIGHTS:

- Hear from guest lecturers
- Tour Museums and Institutions
- Shared apartment housing
