

NETWORKING MIXER & POTLUCK

*You may be lucky, but it's better to
"Lean In"*

All Engineering and STEM majors welcome.

Using St. Patrick's Day as a framework to talk about themes from the book "Lean In", this is a chance network with engineering professionals from APL and students from Universities throughout the Baltimore-Washington area.

Bring a favorite food and the recipe to share for a night of food, fun and networking around the themes of luck vs. "Leaning In"

**Luck or Success?
You Decide!**

**This is a FREE event.
Bring a dish to
share.**

**Uniting the
collegiate and
professional
sections.**

**Potluck WITH
SWE@APL!**

COOK. SWAP. TALK.
