

Franklin Square Community Tire Drive and **BBQ**

On **April 23** from **9:00 am to 1:00 pm** in conjunction with the

Mayor's Spring Clean-Up

Please join your neighbors and other volunteers in partnering with the Baltimore Ecosystem Study's Mosquito Project Team in a clean-up of all discarded tires to:

- ♦ Reduce Mosquito Habitat
- ♦ Beautify Your Neighborhood
- ♦ Show Your Community Pride
- ♦ Fellowship with Your Neighbors

The event will start and end at the **Sunflower Garden** at 216 N. Carey St. All volunteers should meet here at **9:00** am for assignments. All participants in either the community clean-up and tire drive will be invited to a **BBQ** immediately following the tire drive at the Sunflower Garden. This is a rain or shine event.

Tires will be collected at the corners of

- ♦ Saratoga and Gilmor
- ♦ Lexington and Fulton
- ♦ Baltimore and Mount
- ♦ Gilmor and Lexington
- ♦ Calhoun and Fairmount

*Tire pick-up and disposal is being generously provided by **K&K Tires of Linthicum**. Further support for this event is coming from the Franklin Square Neighborhood Association, the Parks and People Foundation, the University of Maryland Baltimore County, and the Baltimore Ecosystem Study. For more information, please contact **Joel Baker** at jbaker13@umbc.edu or 443-468-3069.*
