**Congratulations to our new Freshman Representative!!!!
Thank you all who applied!**

Jada Damond

UMBC '19, Chemical Engineering, Environmental Track

Updates from VP

Big/Little Pairing!

**Please be on the lookout for upcoming Big/Little Events!
Winners will get a prize!**

Update from Secretary

2015 Fall Career & Internship Fair

When? Wednesday, October 14th, 2015 @ 11:30AM-3:30PM

Where? In the RAC

We strongly encourage you to attend!

Next, a message from a Northrop Grumman employee about internships...

Her full presentation will be posted on myumbc.

Summer Internships at Northrop Grumman

- Looking for rising juniors or seniors at accredited engineering colleges and universities
- Typically an 8-12 week commitment
- Work with professional engineers on real programs
- Many intern programs such as orientation, kick off events, networking opportunities with leadership and other interns, social activities and learning sessions.
- Co-op opportunities available as well
- <http://www.northropgrumman.com/Careers/StudentsAndNewGrads/Pages/Internships.aspx>

How was Aspire to Lead?

Take a moment to think over your responses, write them down if necessary. Then discuss with those around you.

I feel powerful when.....

I feel my least powerful when....

I use my power appropriately when....

Power Poses: Stand up and try a few!

Trivia Game!!!

The first person to raise their hand and provide the correct answer to the question will receive SWEets :)
