Join us for our interactive workshops designed to help you explore issues related to sexual orientation and gender identity

Sexual Orientation and Gender Identity Introductory Workshop

This is an introductory session covering basic ideas and terminology

- Become familiar with terminology related to sexual orientation and gender identity
- Explore attitudes and beliefs about sexual orientation and gender identity
- Have an opportunity to ask questions about sexual orientation and gender identity

Ally Dev./Safe Zone Training*

This workshop prepares participants to join UMBC's formal network of Safe Zone Allies

- Learn the necessary skills to become an ally
- Have an opportunity to ask questions about sexual orientation and gender identity
- Participate in an experiential exercise related to sexual orientation and gender identity

*Session II participants are expected to have a basic understanding of sexual orientation and gender identity through previous training, personal background, or past experiences.

Presenters include staff and students from the Division of Student Affairs, Freedom Alliance and across the university.
