

"What Makes a Family?"

Zach Wahls tried to answer that question when he testified before the Iowa House Judiciary Committee in January 2011. The son of two lesbian mothers, the 19-year old University of Iowa student had no idea that his heartfelt testimony would spread like wildfire, landing him on national television! Like any family's story, his is one of highs and lows, laughs and tribulations. You'll laugh, you may even cringe, and no matter your thoughts on marriage equality, you'll walk away with a new perspective and something to think about.
