

**COLLEGE OF NATURAL AND
MATHEMATICAL SCIENCES**

TALKIN' SCIENCE WITH THE DEAN

Get to know Dean LaCourse during a new series of one-hour sessions held monthly. The dean will begin with a short presentation that looks at a scientific topic through the lens of its relevance to everyday life. Then you'll be invited to ask questions on any topic, share comments and/or concerns, or make suggestions in an informal, conversational format. Dean LaCourse looks forward to meeting you! All are welcome.

GUEST PRESENTER

Dr. William LaCourse

*Dean
College of Natural and
Mathematical Sciences*
