

Daily Lives of High School Boys

Roaming the halls of the all-boys Sanada North High School are three close comrades: the eccentric ringleader with a hyperactive imagination Hidenori, the passionate Yoshitake, and the rational and prudent Tadakuni. Their lives are filled with giant robots, true love, and intense drama... in their colorful imaginations, at least. In reality, they are just an everyday trio of ordinary guys trying to pass the time, but who said everyday life couldn't be interesting?

Witch Craft Works

Takamiya Honoka is an ordinary high school student when one day her life is put in danger when the "Princess" of the school dressed as a witch reveals herself to be what is known as a workshop witch which and has for reasons yet known placed Takamiya Honoka under her protection.

Puella Magi Madoka Magica

After experiencing a bizarre dream, Madoka Kaname, a kind 14-year-old girl, encounters a magical creature named Kyubey. Madoka and her friend, Sayaka Miki, are offered the opportunity of gaining magical powers if they agree to make a contract with the strange little being. He will also grant them one wish, but in exchange, they shall risk their lives by accepting the responsibility of fighting witches. Invisible to human eyes, witches are catalysts of despair in the areas they inhabit. An ally of Kyubey, a magical girl named Mami Tomoe, befriends and encourages the two girls to accept the contract. For an unknown reason, another magical girl named Homura Akemi is determined to prevent Madoka from accepting the deal.

Charlotte

Puberty came with the perk of super powers, but only during adolescence and your powers suck. So best thing to do is have fun while it lasts by hunting down other ability users to keep society safe.

Yowamushi Pedal

Sakamichi Onoda wants to join his school's anime club, but the club has been disbanded and he takes it upon himself to revive it by finding students who are willing to join. Without much luck, Onoda decides to make a round trip to Akihabara on his old, bulky city bicycle. This is when he meets fellow first year student, Shunsuke Imaizumi, a determined cyclist who is using the school's steep incline for practice. Imaizumi challenges him to a race, with the proposition of joining the anime club should Onoda win. And thus begins the young boy's first foray into the world of high school bicycle racing!

Hunter x Hunter

This anime is based on the popular and on-going WSJ manga written by Yoshihiro Togashi. Characteristic of typical shonen, this anime contains a father-less main character, abilities, training arcs, manipulation of aura, and a stubborn, talented, and dumb protagonist, but unlike most shonen, is based in the real-world and defies cliché outcomes. Covered in multiple arcs, the anime covers the stories of the main character, Gon, as well as his soon to be close friends, Kurapika, Killua, and Leorio, and portrays multiple tones with a variety of characters and settings all while providing a

seamless and cohesive story. Count on the anime to provide strategic fights, touching scenes, and a creative story.

Wolf's Rain

From the creator of Cowboy Bebop, 'Wolf's Rain' is the story of Kiba, an injured lone white wolf, who goes to Freeze City following the scent of the Lunar Flower, which is the key to opening Paradise. There he encounters three other wolves who were drawn to Freeze City by the scent of the Lunar Flower and are now living in the city. The wolves encounter Quent Yaiden, a former Sheriff of Kyrios who is obsessed with hunting down wolves, and his dog Blue. Cheza, the Flower Maiden who is destined to lead the wolves to Paradise, is being studied at a laboratory under the care of Cher Degré. She is awakened by the smell of wolf's blood. As Kiba and Hige approach the lab to find her, she is stolen away by Lord Darcia the Third, whose people created Cheza. With the Flower Maiden gone, the wolves have no reason to stay in the city. They decide to stay together and follow Kiba in his search for the Flower Maiden and Paradise.

Nichijou

Nichijou primarily focuses on the daily antics of a trio of childhood friends—high school girls Mio Naganohara, Yuuko Aioi and Mai Minakami—whose stories soon intertwine with the young genius Hakase Shinonome, her robot caretaker Nano, and their talking cat Sakamoto. With every passing day, the lives of these six, as well as of the many people around them, experience both the calms of normal life and the insanity of the absurd. Walking to school, being bitten by a talking crow, spending time with friends, and watching the principal suplex a deer: they are all in a day's work in the extraordinary everyday lives of those in Nichijou.

Grimgar of Fantasy and Ash

Fear, survival, instinct. Thrown into a foreign land with nothing but hazy memories and the knowledge of their name, they can feel only these three emotions resonating deep within their souls. A group of strangers is given no other choice than to accept the only paying job in this game-like world—the role of a soldier in the Reserve Army—and eliminate anything that threatens the peace in their new world, Grimgar.

Sakura Wars

The World is under attack, the armies of the demonic alien invaders are advancing, and since the year is 1919, none of the superweapons that mankind will later develop even exist! Fortunately, the engineers at Kanzaki Industries have developed something unexpected - steam-powered battle robots! But these new machines will require a very special breed of human pilot, people with a unique type of fighting spirit. And that's where the Imperial Flower Combat Troop comes in! A group of courageous young women fighting to protect Japan and the world from the invasion, but as new recruit Sakura finds out, they're not as unified as she originally thought! Can Sakura and her teammates gel as a team in time to save the day?
