Mushi-shi

Ethereal creatures that cannot be seen by normal people need to be seen by 'Mushi masters' who alleviate the trouble they cause. This anime is relaxing and sometimes unsettling, but overall, a road trip through the lens of the mushi master, Ginko.

Non Non Biyori

4 girls live in the middle of nowhere. Occasionally, interesting stuff happens. This anime has one of the most well-known lolis in anime, Renge Miyauchi. There's a fifth grader that looks like she's 17, so that's pretty nifty. It's also the most recent anime to get life sized figures, so that's even more nifty.
