

U-RISE

Applications for AY 2025– 2026 are now being accepted

Application can be found on UMBC's Scholarship Retriever

Deadline: January 15, 2025

The U-RISE Program at UMBC seeks to develop a broad pool of well-trained undergraduates with skills and desire to pursue a PhD or MD/PhD in biomedical research.

U-RISE provides:

- A scholarship for partial tuition, fees, and housing
- Year-round participation in research
- Financial support for research materials
- Special advising, seminars & workshops
- Travel & conference funds
- Help with graduate school applications
- Present at URCAD & other national meetings
- Visit our website, urise.umbc.edu, for more information
