The Women's Center Advisory Board is a collective of faculty, staff, and students with an interest in supporting and cultivating the work of the Women's Center at UMBC and advancing gender equity and social justice on UMBC's campus.

Board members participate in monthly board meetings, scheduled for the first Friday of each month during the academic year. This forum allows Women's Center staff to share information about the Center and similarly allows the board members to share their knowledge, wisdom and unique perspectives to advance the mission of the Women's Center.

In addition to advising the Director and Coordinator of the Women's Center, Board members provide support in the planning, programming, and advocacy of the Women's Center. Board members are encouraged to attend Women's Center events when possible and volunteer at larger events such as Critical Social Justice, Take Back the Night, or the Returning Women Students networking event. These responsibilities may entail additional hours of commitment outside of the monthly board meetings.

Board members are appointed for two-year terms, with the possibility of renewal.

The Women's Center seeks to serve a diverse community of people interested in women's, gender, and social justice issues. We seek a diverse board to assure that varying needs and interests are represented. For more on the Women's Center mission, guiding principles, and priorities, visit womenscenter.umbc.edu

DEADLINE: Friday, April 20, 2018

For additional information, please call the Women's Center at x52714 or email womenscenter@umbc.edu.

All are welcome so long as they respect women. Their experiences. Their stories. Their potential.
